Conclave Strikes Back

Section Conclave is where hundreds of Arrowmen across Section G6 come together for a weekend full of fellowship and fun! This year, at Falley Scout Reservation, Conclave Strikes Back is truly out of this world. This weekend-long event has a lot in store from inflatables, fishing, patch trading, trainings with hands-on activities, competitions, and so much more. And the best part is this year's conclave theme is Star Wars inspired! This is an event you will NOT want to miss out on, so register today by visiting registration.oa-bsa.org/event/1209! Registration fee is currently \$60 and will increase to \$70 on April 5th.
